

## **HSBC Bank Supports Development of Nature Explorium**

**A** \$7,500 grant to the Middle Country Library Foundation will be used to develop a Nature Explorium at the library – a 5,000 square-foot outdoor learning environment targeted to preschool and elementary school age children and their families. The Explorium will promote a direct experience with nature for children through hands-on outdoor activities and areas for climbing and crawling, art, music, performance, reading, planting, and much more.
